Raiders Down Rustburg 20-7

The Appomattox Raiders came from behind in the second half to overtake the Rustburg Red Devils and rack up a 20-7 win in a Seminole District football game last Friday night at Appomattox. The win gave the Raiders a 5-1 overall mark and a 3-1 district record. The Red Devils led 7-6 at the half, but sharp defense and good running by Jimmy Chandler and Mike McCormick put the Raiders on top and then another score inthe fourth quarter rapped it up.

Rustburg got on the scoreboard first the first quarter when they scored from 46 yards out on a pass from Gary Garner to Ronnie Sullivan with 1:02 left in the quarter. Garner kicked the extra point to make it 7-0 favor the Red Devils after a quarter. The Rustburg touchdown was set up on a blocked field goal attempt by Appomattox that was recovered on the 36 yard line of Rustburg. The drive took five plays to cover the 64 yards.

The Raiders came back with a score in the second quarter with 6:48 left in the half when Jimmy Chandler took a pitchout from quarterback Bobby Layne and scored from seven yards out. The extra point attempt failed and it was 7-6 favor Rustburg at the half.

Appomattox went ahead in the third quarter 13-7 when Rustburg fumbled and it was picked off in the air by Mike Gallier on the Appomattox 36 yard line. He went 64 yards for the TD and Chandler added the extra point to make it 13-7 favor Appomattox with 4:00 left in the third quarter.

The final Raider score came in the fourth quarter with 11:13 left in the game when Jimmy Chandler picked up his second TD of the night from three yards out. He also kicked the extra point to make it 20-7 favor Appomattox. This TD was set up when Appomattox punted on the last play of the third quarter and Rustburg called for a fair catch by missed the ball, Nathan Snell recovered the ball on the Red Devil nine yard line as the quarter ended. Two plays later in the fourth quarter Chandler got his score. From that point on it was mostly punting and giving up the ball.

It was mostly Appomatox all the way after the touchdown that Rustburg got in the first quarter. The Raiders had two good chances to score in the first half, but two penalties moved the ball back and made it long yardage. They were pentilized 55 yards in the first half.

The Raider defense was very strong against the Rustburg rush as they held them to only 10 yards net rushing. The big hurt was when the Rustburg passer, Garner, was hit for losses of 29 and 31 yards respectively on bad snaps from center near the end of the fourth quarter.

Nathan Snell had a fumble recovery and pass interception for the night to help spark the Raiders defense. Billy Guthrie, Dennis Wilkerson and Mike Gallier each had fumble recoveries and Steve Almond had a pass interception. Mike McCormick, Randy Foster, Phillip Goode, Lee Conner, and Jimmy Chandler were also outstanding on defense. Chandler, Goode and Guthrie were also strong offensive blockers as they were downfield with good blocks on three different occasions to spring McCormick aloose for big gains. McCormick was the leading ball carrier for the night with 120 yards on 18 carries. He had two 30 yards runs for the longest gains of the night. He had punt returns of 71 yards and caught one pass for 10 yards. Chandler gained 96 yards on 15 carries and caught two passes.

Ronnie Sullivan led Rustburg in rushing with 27 yards. Gary Garner, the quarterback, completed only seven of 25 passes for 141 and had two interceptions. David Ing e caught three of the passes for 63 yards.

Jerry Booth and Frank Holt recovered fumbles for Rustburg and Leon Haskins, Ronnie Sullivan and Terry Pinn was other defensive standouts for Rustburg.

The Raider defense allowed Rustburg only one first down in the first half as they kept the running game well under control and also took care of the short passes. Most of the damage was done on the long ones.

Friday night Appomattox travels to Orange County for a non-district game at 8 p.m.

34 Yard Field Goal Adds to J.V.'s 25-6 Win

BY 'Rabbit' Cawthorne

Appomattox Raider Jayvees showed plenty of strength Thursday in a blazing 25-6 defeat of Brookville Jayvees here at home at Bragg Stadium.

William Lipford ran the first TD in the 1st quarter from three yards out with a nast from Dennis Jamerson to Dickie Kelso for the extra point.

Mike Preston had his turn next in the 2nd quarter with a 34 yard run and again, the extra points from a Jamerson run. Then in the third quarter Dennis Jamerson kicked a 34 yard field goal and the score stood 19-0.

In the 4th quarter Dickie Kelso made the TD with a 55 yard punt return, and even though the extra point failed to materialize, the Baby Raiders were in good shape, with Brookville Comet JV's making it a contest with a 4th quarter TD.

Standouts for the defense were Mike Quinn, Ricky Wingfield and Mike Ramsey. For the offense: Warren Clements and Ed Jamerson. NOW hear this . . . Raider

Both plots were irrigated twice during the summer.

Total cost for the chemically treated garden was $158.18 and for the organic plot the cost was $141.95. Note the big difference in yields -- it should be pointed out that some organic vegetables were never harvested because insects destroyed these as young plants.

McCleny, Jr., Appx-Campbell Soil Conservationist, who was master of ceremonies for the event.

Appomattox Men Attend Ceremonies

The last hole in the Campbell County soil survey was bored last week in ceremonious fashion. Approximately 75 invited persons attended, including eight from Appomattox: Carey Carson, John C, Cole, Jim Nolen, Jim Smith, Charles Perkins, John Goin, Basil Lucado and Bob McCleny.

Cecil Bullard, soil scientist with the U. S. Dept. of Agriculture Soil Conservation Service, who is completing the survey, explained how the survey was made. He noted that the survey crew had bored more than 160,-000 holes in doing its job. These holes, he said, varied in depth from 12 inches to more than 40 inches.

E. R. Minnick, Area Conservationist, Soil Conservation Service, congratulated the county on completion of the soil survey and discussed the benefits to be derived from the survey.

"It will be a basic foundation for the Planning Commission to plan long term land uses," he said. He also stated that public facilities such as sanitary landfills, schools, industrial parks, sewage lagoons, highways and underground utilities need to be located on suitable soils.

"It will be helpful to individuals in the selection of homesites, basements, building foundations and septic tanks," he added.

Minnick stated a good education program is now needed to let everyone know about the survey and what use can be made of it.

Jim Rea, chairman of the Robert E. Lee Soil and Water Conservation District, which co - sponsored the Campbell County soil survey, congratulated Campbell County for this accomplishment and urged other counties to undertake a soil survey.

Walter J. Haberer, Jr., executive secretary of Campbell County, spoke on behalf of the Campbell County Board of Supervisors who co-sponsored the mapping program.

Fidelity National Bank treated the group to a chicken barbecue. Russell Upshaw, vice president of the bank, was in charge of the program.

Robert McCleny, Jr., District Conservationist, was master of ceremonies.
